Project Name

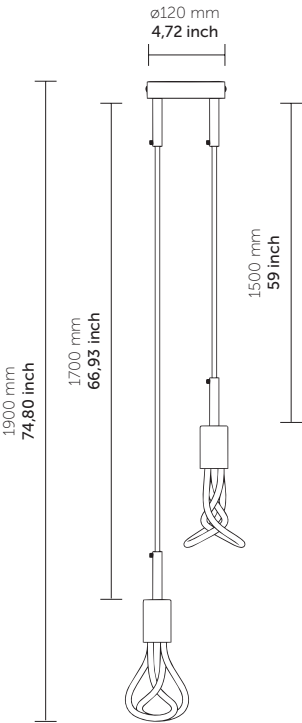

Plumen 01&02 double pendant

Design: MOSAIC

The Plumen is more than a light bulb — it's a design icon. As the world's first energy-saving designer bulb, Plumen transformed an everyday necessity into a sculptural statement. Its distinctive, flowing silhouette reveals a new expression from every angle, creating a captivating interplay of light and form.

Celebrated with numerous prestigious design awards and selected for the permanent collection of MoMA, Plumen represents the perfect meeting point between innovation, sustainability, and timeless design. Compatible with any LED dimmer.
